SUMMARY

Enrolled in B.Tech Computer Science Engineering course of SRMIST, Ramapuram, Chennai. Have built various personal projects like Automatic Speech Recognition, Web development projects, basic AI projects. Successfully completed certifications in the fields of Data analysis, AI, Web Development, from IBM, Harvad's CS50AI, Harvard's CS50W respectively, Currently pursuing Machine Learning Professional Certification for Deeplearning.AI, Stanford.

Have built several web3 based projects at hackathons.

SKILLS

Django   Cognos   MS Excel   Python   Javascript

React   Solidity   Flutter   NLP   Deep learning

python3   sql   visual studio   git

PROJECTS

Event Management Platform

📅 12/2023   📍 Remote

This project is used to integrate the Participant, Organiser, Sponsor, Control authorities in a single platform.
This reduces the middle man, human error, communication gaps, issues in conducting events, high amount of manpower to find appropriate sponsor.

- The basic prototype of this app is built for a single department in an university, this will be improved further.

Automatic Speech Recognition

📅 11/2022   📍 Remote

Automatic Speech Recognition(ASR) systems, recognize your voice and convert them into text which is the basic step of a voice assistant

- This was a Internship project form Languify upon completion recieved Internship completion certificate.

Course Recommendation System

📅 12/2023   📍 Remote

From a Large pool of online courses of leading online learning platforms, a user can get the list of courses personalized to his interests

- This can further be improvised to match the users profile and recommend projects, research papers etc.

EDUCATION

10th Std

SBOA Matriculation and Higher Secondary School

📅 06/2019 - 07/2020

12th Std

SBOA Matriculation and Higher Secondary School

📅 06/2021 - 07/2022

Bachelors Degree

SRM Institute of Science and Technology

📅 08/2022 - 08/2026

LANGUAGES

English
Proficient   ●●●●○

Tamil
Native   ●●●●●

TRAINING / COURSES

CS50AI - Introduction to Artificial Intelligence with Python, Harvard

IBM Data Analyst Professional certification

CS50W - Web programming with django and javascript

Machine Learning Professional Certification - Deeplearning.AI, Standford

ACHIEVEMENTS

💎 **Internship completion, Languify**

Successfully completed building a project of Automatic Speech Recognition system for Languify
